

pdfmeta - Demo Document

A sample PDF for testing the pdfmeta metadata editor.

It ships with pre-filled metadata so you can see edits in action:

Title = Quarterly Business Review

Author = Shivaji Chaprana

Subject = Q2 2026 Results

Keywords = finance, quarterly, review

Try: `pdfmeta view examples/demo.pdf`

Then: `pdfmeta apply examples/demo.pdf examples/metadata.json`

Page 2

A second page, so you can verify pages survive edits.
